

Parents:

We have transitioned to an electronic medical record through DragonFly MAX. Instructions are as follows:

1. Set up a parent and student account through DragonFly MAX following the directions on the next page of this document. Continue on the website to complete ALL participation forms **before** you take your child to a physician for a physical examination. (We recommend completing the information as close to the time of the exam as possible.)
2. Print the completed History Form from DragonFly MAX and take it with you to the doctor.
3. Print out the last 3 pages of this document to take with you to the doctor. The doctor should complete, sign and date these forms and return to you.
4. After the exam return to your DragonFly MAX account and upload the pages the physician completed into the tab titled "Physical".

If you do not have internet access, have questions regarding the DragonFly MAX program or experience problems with the upload process please contact Catherine Colquitt at 706-769-7760 x 7306, ccolquitt@oconeeschools.org or Tina Paul at 706-769-7760 x 2221, tpaul@oconeeschools.org
