Would you like for your child (birth to 5 years old) to receive their very own collection of books with no cost to you?

Really, they are free!

- ***High-quality book mailed to your home each month for any Oconee child from birth to five years old***
- ***Books are age appropriate***
- ***Include a back flap with reading activities for parents to use... endorsed by the United Way***
- ***Not income based...**EVERY OCONEE CHILD** birth – five years old qualifies...absolutely no cost to you.***

A smile, a high-five, a plea to read “my book” just taken from the mailbox. This is the excitement I see from my own two kids each month when they receive their Wee Read Books.

This joy of learning and the understanding that the best indicator of student success is the ability to read early and often is why my family participates and gives to Wee Read and you should too!

Dr. Jason Branch, Superintendent
Oconee County Schools

Wee Read and the Oconee Wee Read Team are passionate about putting quality books into the hands of the youngest members of our community.

Take a minute now to sign up your children...see attached information.

Books are provided by Dolly Parton's Imagination Library.
