Dear Warriors and Warrior Parents,

Taking Advanced Placement exams is an important part of all Advanced Placement courses. Oconee County High School requires that all students take AP exams for all AP classes that they are enrolled in during the school year. Research has shown that students who participate in AP courses outperform others in college, and scoring well on an AP exam can often earn students college credit for their high school class, saving a significant amount on tuition!

For the spring 2024 AP exams, students at Oconee County High School will be registering online. Online exam registration will begin on Monday, August 21, 2023 and end on Friday, February 23, 2024. The AP exam registration process is two steps, but both can be completed in one sitting when the student and parent/guardian do this together. **You must complete both steps to access the College Board's AP resources**, and both steps must be completed to ensure the correct AP exams are ordered.

Step 1: Begin the process by registering at www.TotalRegistration.net/AP/113190. Here you will indicate both the AP courses you are taking this year and the exams you are taking. You will receive your join codes and directions to complete the second required step. Any exam fees will be paid online so be sure to have a debit card or credit card available before beginning registration.

Step 2: Use the join codes provided at the completion of step one to enroll the student's AP courses and exams in the College Board's system at <https://myap.collegeboard.org/login>.

This year each AP exam costs \$101.00. Financial assistance is available to any student who qualifies for Free/Reduced lunch.

Here are the important dates for the registration process.
