Warrior Parents and Students,

The Preliminary SAT/National Merit Scholarship Qualifying Test is a great tool for students considering college. The PSAT/NMSQT measures critical reading skills, math problem-solving skills and writing skills. Oconee County High School recommends that students take the PSAT/NMSQT in order to receive feedback about strengths and weaknesses, enter the competition for National Merit Scholar scholarships (11th graders), and to help prepare for the SAT.

**The 2023 PSAT/NMSQT will be administered at Oconee County High School on
Wednesday, October 11th, from 8:15am until noon.**

Students in both the 9th and 10th grades at OCHS are automatically registered for the appropriate exam. No additional information or payment is needed from 9th and 10th grade students.

Students in the 11th grade at OCHS who are interested in taking the exam will need to register and pay online.

This registration will take a few minutes and can be completed from any computer with internet access. Online Exam registration will begin on Monday, August 28 and end on Friday, September 29.

In order to register, students should click on the link provided on the school website or visit www.TotalRegistration.net/PSAT/113190 to register. To complete registration, students must answer all of the required questions. Registration is not complete until students have received the pdf of the confirmation page that is provided at the end.

Oconee County High School is excited to offer families the convenience of paying exam fees online at the time of registration. Please be sure to have a debit or credit card available before beginning registration. Paying online is a great way to make sure that payment has been made while avoiding mailing payment. The cost for OCHS 11th grade students is \$20.

***These steps also apply to homeschool students interested in taking the PSAT at OCHS. For non-OCHS students the cost is \$25.*

Here are the important dates for the registration process for 11th grade students/non-OCHS students:

- Monday, August 28, 2023 Registration begins
- Friday, September 29, 2023 Registration ends
- Monday, October 2, 2023 Registrations that have not been paid will be canceled
