

# Georgia Future Problem Solving Program Dues, Services, and Calendar

## Dues to participate in Future Problem Solving Club at MBMS: \$25

Your dues will go toward the cost of our entry fees for Global Issues competition.

### Global Issues Problem Solving (Team)

- \$100 per team, competitive
- Evaluation and feedback from trained evaluators on two practice problems and the Qualifying Problem. Practice Problem #1 is due in October, PP2 in December, and our top four team members will participate in the QP in January.
- If you qualify, you can advance to the State Bowl.

### State Bowl Global Issues Problem Solving

- SB team registration fee is \$60. Individual registration is \$25.
- Up to three extra students may accompany an invited team to SB to participate in the required Team Presentation of Action Plan.
- SB competitors receive evaluation and feedback on their own work.
- First place team in each division receives an invitation to the FPSP International Conference.

### Scenario Writing

- \$30 per scenario, competitive, individual writer
- Scenarios due mid-January
- Evaluation and feedback from trained evaluators
- First place writer in each division receives invitation to FPSP IC
