

Preschool Screening/Evaluation Safety Measures

1. Masks and face shields will be worn by all staff members during screenings.
2. Plexiglass divider will be available for use when appropriate.
3. Screening area will be sanitized prior to each screening and after each screening.
4. One caregiver is encouraged to attend with each student.
5. Parents will be required to have their temperature taken and answer a series of questions regarding potential COVID-19 exposure.
6. Parents are required to wear masks when not socially distanced.
7. Face masks are optional for Pre-K students during screening (depending on parent preference, age, size of child, needs of child, etc.).
8. Online screening consent will be provided prior to screening.
9. Virtual transition meeting will be offered at a different date.
10. Family will call school upon arrival and wait in their car until greeted to enter.
11. Family will enter through designated area (Pod 6) with preschool staff member and will remain in designated area during entire screening time.
12. Hand sanitizer will be available.
13. Student will be screened by SLP, preschool staff members (2), and audiologist for developmental, speech/language, vision and hearing.
14. Family will participate in transition meeting (with social distance measure in place and masks) if they opt for in-person meeting.
15. Family will exit from designated area.
