

North Oconee High School

2021-2022 New Student Enrollment Information

Welcome Future Titans!

Student registration is now online!

Please visit the following link for instructions on new student enrollment .

<https://www.oconeeschools.org/enrollment>

Once we receive your online application with ***all*** necessary documents uploaded we will contact you via google calendar evite. We will use the email address you provided in your online application to set up a new student appointment with your counselor.

New student appointments will not be made until all necessary documents are received.

We are excited to welcome you to our school and community. North Oconee High School offers an array of academic, co-curricular, and athletic opportunities. Please take the time to explore our school website and discover what piques your interest!

Thank you for your patience during this busy time.
