In order to maintain a financially stable program and be in compliance with state and federal regulations, the Oconee County School Nutrition Program staff members will enforce meal charge limits as follows:

- Customers in elementary school may charge up to \$9.00 before being offered an alternate meal.
- Customers in middle school may charge up to \$5.00 before being offered an alternate meal.
- Customers in high school may charge up to \$3.00 before being offered an alternate meal.

An alternate meal consists of a PBJ sandwich and 8 oz. carton of milk or calcium fortified juice. A cheese sandwich may be substituted for the PBJ sandwich for students who have a physician's statement on file reporting they are allergic to peanut protein.

Customers are not allowed to charge extras/a la carte items nor purchase them with cash while their account balance is negative.

Customers may easily monitor account balances by going to www.k12PaymentCenter.com and registering for (free) account monitoring services. Customers may also contact their school's cafeteria manager for account information. Contact email and telephone numbers are located on the SNP Manager Contacts link on the Lunch Menus page. Cashiers alert customers when account balances are running low.
