

Malcom Bridge Middle School adheres to the [Georgia Bullying Law](#) (O.C.G.A. 20-2-751.4) and follows the [Bullying Protocol](#) adopted by the Oconee County School System.

In addition, MBMS is devoted to educating our students and faculty/staff on the harmful effects of harassment and bullying. We do this through one-on-one meetings with students and parents, small group counseling, and classroom guidance lessons. Within our school, every adult teaches and promotes positive behaviors through the school-wide Positive Behavioral Intervention System (PBIS).

Malcom Bridge Middle School strives to create a culture where KINDNESS, RESPECT, and LEADERSHIP are the expectations for all stakeholders. Caring teachers, administrators, and counselors model and encourage students to meet and exceed these expectations every day.

Our faculty and staff are trained to assess, investigate, address, and support all parties involved. Please encourage your child to stand up and speak out if they observe injustice, harassment, or hurtful behavior. We will continue to provide you with the latest research surrounding harassment/bullying through the MBMS Newsletter, [MBMS Counseling Blog](#), annual guest speakers, and parent workshops.

Our mission is to provide a safe and positive environment that recognizes and addresses individual differences of students so that all can learn in the best educational setting possible.
