School Reopening Plan
Elementary Level
Arrival and Breakfast

- Doors will open at 7:10am.
- Students will go straight to their classrooms upon arrival.
- Adults will be on duty in the car rider line.
- Additional duty stations have been created throughout the building to increase supervision and ensure students follow designated traffic patterns and refrain from congregateing.
- For breakfast, students will go to the cafeteria to pick up their tray, and they will be socially distanced at the cafeteria tables. Some schools may have students eat in their classrooms for breakfast.
Hallways and Transitions
Enter and Exit Doors

- All exterior doors will be marked as Enter Only/Exit Only.
- Interior high traffic doors will also be marked (cafeteria, media center, gym, etc.).
Dismissal

- Students will dismiss to buses in a staggered manner.
- Multiple exit points will be used to decrease student congregation.
- Car riders will be dismissed from the classroom individually as parents arrive.
- Safe Dismissal, a new program, will be utilized by all elementary schools.
Classrooms

- Students will be socially distanced and overall capacity will be reduced.
- Students will have individual boxes of school supplies, math manipulatives, and book boxes.
- Outdoor classroom experiences are encouraged throughout the day as appropriate.
- Hand sanitizing stations will be placed in every classroom.
Classroom Set-Up

- Bulky/oversized furniture has been removed from rooms to make more space
- Distancing between individual student workspaces
Classroom Instruction
COVID Mitigation

● Mask use throughout the day will be encouraged, specifically during transitions, visits to the restroom, and during any time spent working in a closer proximity to others.

● Proper mask protocol will be taught along with other COVID-19 mitigation measures (handwashing, social distancing, etc.) through PBIS initiatives, videos, lessons, and modeling.
Activity

- Four activity classes will be offered this school year - Art, Music, PE, and STEM. This varies slightly by school.
- Materials will not be shared and students will be socially distanced.
- Students will sanitize their hands before and after Activity.
Recess

- Students will play in six zones on the playground on a rotational basis.
- Rotations will function on an alternating schedule to limit the number of students.
